LRB100 04197 MLM 22671 a

1 AMENDMENT TO HOUSE BILL 222

2 AMENDMENT NO. _____. Amend House Bill 222 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Procurement Code is amended by
5 changing Section 45-15 as follows:

6 (30 ILCS 500/45-15)

7 Sec. 45-15. Soybean oil-based ink and vegetable oil-based
8 ink.

9 (a) As used in this Section:

10 "Digital printing" means a printing method which includes,
11 but is not limited to, the electrostatic process of
12 transferring ink or toner to a substrate. This process may
13 involve the use of photo imaging plates, photoreceptor drums,
14 or belts which hold an electrostatic charge. "Digital printing"
15 is also defined as a process of transferring ink through a
16 print head directly to a substrate, as is done with ink-jet

1 printers.

2 "Offset printing" means lithography, flexography, gravure,
3 or letterpress. "Offset printing" involves the process of
4 transferring ink through static or fixed image plates using an
5 impact method of pressing ink into a substrate.

6 (b) Contracts requiring the procurement of offset printing
7 services shall specify the use of soybean oil-based ink or
8 vegetable oil-based ink unless a State purchasing officer
9 determines that another type of ink is required to assure high
10 quality and reasonable pricing of the printed product.

11 This Section does not apply to digital printing services.

13 Section 99. Effective date. This Act takes effect upon
14 becoming law."
